

## EXECUTIVE BIOGRAPHY

Pierre Prim

Pierre Prim is the Director of Operations for Ontario Electronic Stewardship (“OES”). He is responsible for business operations and has oversight of day-to-day contracted program and field operations.

Prior to joining OES in April, 2011, Pierre held a dual role as Director of Operations at Eco Choice Recycling and Head of Corporate Purchasing and New Ventures at Ice River Springs Water Company where he created a supply chain strategy that produced cost, lead time and inventory level reductions, while increasing flexibility and driving efficiency throughout the manufacturing plants.

Pierre brings more than 15 years’ experience in supply chain and materials management for companies like Celestica and EXFO Photonic Solutions.

Pierre is a graduate of McMaster University in Hamilton and holds a Bachelor of Commerce (Honours) degree.
