

**Errata OES Report on Performance of Year 1 Final Revised (Phase 1 and 2) Waste Electrical & Electronic Equipment (WEEE) Program April 1, 2010 to March 31, 2011**

OES staff detected a data entry error within the Recycling Kg/Capita calculation on Table #11 of the submitted OES Report on Performance of Year 1 Final Revised (Phase 1 and 2) Waste Electrical & Electronic Equipment (WEEE) Program April 1, 2010 to March 31, 2011. The OES Results column, Recycling Kg/Capita row, showed an incorrect OES program target figure instead of the OES Results figure, while the Revised Phase 1 and 2 Target column shown the OES Results kg/capita figure. The performance percentage calculation is correct as the data source table had the correct calculation. This erratum describes the data entry error.

The first table presents the incorrect figures within Table #11 Recycling Kg/Capita rows and OES results and Revised Phase 1 and 2 Targets columns.

**Existing Table 11 – Year 1 - Revised Phase 1 and 2 Program Results and Targets - page 16**

Indicators	OES Results	Revised Phase 1 and 2 Targets	Performance
Collection Tonnage	34,585 <sup>[1]</sup>	46,617	74%
Collection Kg/Capita	2.62	3.55	74%
Recycling Tonnage	28,304 <sup>[2]</sup>	37,294	76%
Recycling Kg/Capita	2.56	2.14	75%

The above table has been replaced by the table below, which lists 2.14 kg/capita as the correct OES Recycling result and the correct Revised Phase 1 and 2 Target amount of 2.84.

**Revised Table 11 – Year 1 - Revised Phase 1 and 2 Program Results and Targets - page 16**

Indicators	OES Results	Revised Phase 1 and 2Targets	Performance
Collection Tonnage	34,585 <sup>[1]</sup>	46,617	74%
Collection Kg/Capita	2.62	3.55	74%
Recycling Tonnage	28,304 <sup>[2]</sup>	37,294	76%
Recycling Kg/Capita	2.14	2.84	75%

Regards,  
Ontario Electronic Stewardship

<sup>[1]</sup> This figure represents the total recycled tonnage (calculated by applying the recycling efficiency rate to materials collected)

<sup>[2]</sup> This total does not include the tonnage under the Reuse/Refurbishment program.
